An exotic and soothing hybrid that transports the senses to a lush and verdant paradise. This polyhybrid of flavorful and aromatic tropical varieties has a delightful scent of sweet pine, fresh earth, and tropical fruit. Jungle Pie has a smooth and fruity flavor that matches its aroma, with notes of mango, pineapple, and toasted coconut. This strain produces a calming and euphoric effect that invites you to escape the everyday and immerse yourself in a serene sanctuary, making it best suited for evening or nighttime use when the ability to unload and relax is at its peak.
